A Message from the Class Advisors

Miss Lane and Miss Baldi

To the Class of 2006…
We would just like you to know…

"Your presence is a present to the world.
You're unique and one of a kind.
Your life can be what you want it to be.
Take the days just one at a time.

Count your blessings, not your troubles.
You'll make it through whatever comes along.
Within you are so many answers.
Understand, have courage, be strong.

Don't put limits on yourself.
So many dreams are waiting to be realized.
Decisions are too important to leave to chance.
Reach for your peak, your goal, your prize.

Nothing wastes more energy than worrying.
The longer one carries a problem, the heavier it gets.
Don't take things too seriously.
Live a life of serenity, not a life of regrets.

Remember that a little love goes a long way.
Remember that a lot … goes forever.
Remember that friendship is a wise investment.
Life's treasures are people …together.

Realize that it's never too late.
Do ordinary things in an extraordinary way.
Have health and hope and happiness.
Take the time to wish upon a star.

And don't ever forget …
For even a day …how very special you are."
- Colin McCarthy

Thank you for allowing us to be your class advisors for the past four years. We wish you well; be safe.
Miss Lane & Miss Baldi

A Message from the Class Officers

To the Class of 2006,

So our adventure has ended, some of us were lucky enough to find true friends, others found a career, while others have spent four long years inside these cement walls enjoying each moment and memory. The next chapter on your lives will hold many doors of opportunities, but also many windows of decisions, and we can only wish you the best and remember the many lessons about life you learned while being apart of the Class of 2006. Remember, no matter where these roads of life take you, some back roads will have speed bumps, some highways of life will travel too fast, and it's all right to pull over to the side and look in your rear view mirror and realize where you've been, where you're going, and what you're becoming. Finally, we would like to thank you for allowing us to serve as your senior class officers. On our final note to the graduates of the Class of 2006 please remember, "In the end it's not the years in your life that count. It's the life in your years" - Abraham Lincoln.

Forever and Always,
Your Senior Class Officers

Brittany Notturno,
Devin McAllister-Gray,
and Kathy Houlihan

A Message from the Superintendent

To the Class of 2006,

When we hear the phrase "the competitive edge" we are usually reminded of sporting events where one team may have a distinct advantage because they are playing on their home field or home court. That advantage, of course, is nothing mysterious since the home team has reaped the benefit of constant practice or training in the environment in which the game is played. In any endeavor or activity familiarity always provides a distinct advantage.

So it is that we say that vocational graduates always enjoy the competitive edge in whatever your choice of career may be because, unlike many other high school graduates, you are very familiar with the work environment. Not only have you attained the necessary skill to do whatever your job demands, but additionally you have learned well how to succeed and progress in the workplace. The realization that one must follow directions, subscribe to rules and regulations, be respectful to others, maintain good attendance, and respond promptly are habits that you have developed after four years of practical experience at Tri-County.

The great majority of your competitions in the workplace will not have had that advantage and will need to take valuable time to master practical skills and to practice favorable on-the-job behaviors. They will not enjoy the advantage that you have because, until graduation, their learning had been strictly theoretical and the workplace will be new to them. Whereas, your familiarity with the entire scope of the work environment makes it your home court- and therein lies the competitive edge- please use it to your advantage.

Congratulations and on behalf of all faculty and staff at Tri-County, thank you for having been with us.

Sincerely,

John M. Jones
Superintendent-Director

Thanks for your service.

At the closing of the 2005-2006 school year, Tri-County students and faculty will be saying farewell to fourteen greatly appreciated staff members. We would like to thank them for their many services and wish them all a happy, healthy retirement.

John M. Jones

Superintendent

John M. Jones has been an educator for over thirty-five years as both teacher and administrator. For the past twenty-nine years he has served in an administrative capacity at Tri-County. Mr. Jones began his career at Tri-County in 1977 as the Academic Coordinator for the then new school of Tri-County. In 1982 he became Tri-County's second Principal and in 1989 was appointed Tri-County's second Superintendent-Director and has served in this capacity for the past eighteen years. Tri-County would like to thank him for his dedication and service to our school and wish him an enjoyable retirement.

Kenneth Dow

Assistant Principal

Ken Dow has been an educator for 28 years serving as a teacher, coach and administrator. For the past 18 years he has served as the Vocational Director at Tri-County. Serving as Vocational Director, Mr. Dow has been instrumental in expanding the school's offerings, such as, Facilities Mgmt., CIS, Engineering Technology, Medical Careers, Adult Cosmetology, and the PN program. Over the years, Ken has served as a DECA Advisor, Class Advisor and Coach. Ken was instrumental in developing the partnership with Dean Cooperative Bank at Tri-County. Mr. Dow created the School/Bank Association that is still in existence today. Ken is a member of the Tri-County Athletic Hall of Fame and has coached varsity softball, soccer, and basketball for ten years. We at Tri-County thank him for his years of service and wish him a happy and healthy retirement.

"Retirement is the end of work, That's what some seem to say,
But I have talked to many more, Who say it's not that way.
So now that you are finished here, We would like to say,
We're going to miss your smiling face, And all those special ways,
You've taught us how you did so well, And made it fun to learn,
But don't forget to call some times, One day you might return."

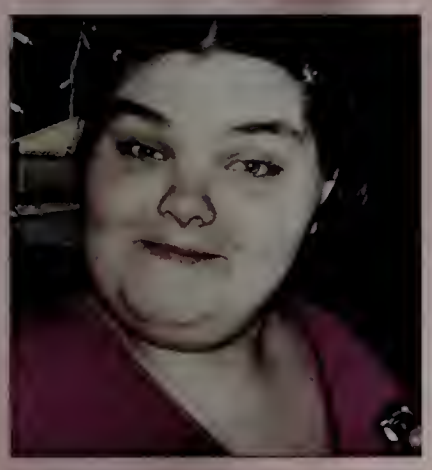
In Loving Memory

Ashley Morgan Mahoney

2.18.88 - 3.4.05

It's graduation and they're handing out awards, The kids are seated waiting patiently for their diplomas, the first name is called, everybody starts to cheer, the next name is called, and the next, and the next, finally the last name is called the crowd goes wild, Mom says "Look at my baby, growing up!"

-By Ashley Mahoney, age 11



My friend, I need you now-
Please take me by the hand
Stand by me in my hour of need,
Take time to understand
Take my hand, dear friend,
And lead me from this place
Chase away my doubts & fears,
Wipe the tears from off my face.
Friend, I cannot stand alone
I need your hand to hold,
The warmth of your gentle touch
In my world that's grown so cold.
Please be a friend to me
And hold me day by day
Because with your loving
hand in mine,
I know we'll find the way.

Senior year was the biggest in my life. Participating in a sport each year of the season; football, baseball, track and field. Good times on the bus with Poods, Steve, Nate James, Timmy D., and Matty B. I was lucky to have the best classmates and teammates that I could've asked for. My parents guiding me through high school was most important. Most of all my friends and family who stood by me through thick and thin. I'm happy that I was able to laugh as much as I did.

Well the past years have been very good to me. I've done a lot of things that I would've never done. I saw a great amount of people that became my friends. From Chris J. to Zach F. a big music pro to Email Z. But not all was well this year. We lost a good friend, Ashley Morgan Mahoney, who has to be one of the most beautiful people I had the pleasure to meet. But I've been gifted to have so many good friends. I will miss each and every one of them and to all I say, "Thank You."

Fall Cheerleading

Varsity Girls Fall Cheerelading L to R Back Row: Jill Morrisey, Gina Noviello, Rachel Vespa, Jenna Pratt, Natasha Dacosta, Coach Erin, Helen Crossley, Jess Leclaire, Makayla Davis, Jess Laplante, Katrina Lofgren. L to R Front Row: Lizzie Finnegan, Allie Duquette, Samantha Tomlinson, Melissa Callahan, Rose Angenette, Kayla Parenteau, Carolyn Maloney, Tula Kontoulis, Allison Lewko, Amanda Illsley.

The Tri-County Fall Cheerleading team did a spectacular job this season. At this year's Mayflower League Competition, the girls worked together and took home first place. With only five seniors on the squad, it was exciting to see all the girls come together as such an exceptional team. Helen Crossley, the only freshman who made varsity, did an excellent job and was "a great addition to the team." Seniors believed the reason they succeeded so well was because of their wonderful coaches and because they had great unity in the team. Many believe because of this amazing season, the future of TC Cheerleading looks bright.

Although the Tri-County Coed Cross Country team failed to acquire a victory this season, they all tried their best. Everyone worked hard to improve and made great strides during the course of the season. The Cross Country competitors always managed to have fun, especially during practices. Seniors, Dan Gottlieb and Kyle Rock, wish luck to the Cross County team.

"Football is a game of inches, and the man that is willing to die for that inch is the man who will always come out on top" *Any Given Sunday.* This inspiring quote describes how the Tri-County Varsity Football team played this season. Although there were many injuries, the remaining players made a valiant effort obtaining two wins. "We played with more heart this year. With great leadership, the effort that was put into this season bonded the team."

Girls Soccer

Girls L to R Back Row: Lauren Dennehy, Alisha Guisti, Michelle Amara, Heather Eastty, Emily Woodhams, Lexi Page, Amanda Barr, Annie Bayer, Jessica Morel, Jennifer Hobbs. L to R Front Row: Honey Koeh, Tiffany Barr, Nicole Hayes, Lauren Berghman, Amanda Dellea, Brittany Notturno, Meghan Bernardo, Alyssa Rozak, Coach Provost.

Led by senior captains Amanda Dellea and Brittany Notturno, the Tri-County girls soccer team secured second place in the Mayflower League Division II in only their second year in the league. With a winning record, the team qualified for both the state tournament and the vocational state tournament. Leading all scorers was junior sensation Tiffany Barr while Brittany Notturno and Alisha Guisti were second and third respectively in the scoring column. Newcomer Lauren Berghman, as a senior, performed well in filling in different positions on the field. The team can look forward to another successful season in 2006 - 2007 with only three seniors lost to graduation.

The boys soccer team spent the year bonding as a team. They may have only had a few wins, but they came away with so much more. Every member improved immensely. With many good memories and a little sadness, the graduating seniors leave with confidence in the teammates they leave behind for next season. Captain Ricky Burgess says they may have spent this year rebuilding the boys soccer team, but next year they have a lot of promise.

Volleyball

Varsity Girls Volleyball L to R Back Row: Liz Monaghan, Jessie Stowe, Chelsea Johnson, Becky Tingley, Jackie Charest, Coach Amanda Stowe. L to R Front Row: Rachel Wasnewsky, Danielle Carr, Lindsey Donahue, Liz Brady, Katie O'Neill.

This year the varsity volleyball team was structured and confident. With the help of a new coach the girls found out new strengths and weaknesses they never knew they had. The team learned how to work together and how to improve their own personal skills. Although they have had better luck in past years, the players say that this year was a lot more organized. The seniors hope that the underclassmen will teach the future players the new skills they have learned and also have as many good times as they have shared.

The boys varsity basketball team did exceptionally well. All in all, the team ended with six successful victories. Even when moral was low, the team played with the philosophy, "Never give up." The seniors all agree that their best win was the last game of the season against Sacred Heart. Only the seniors played that night and came out on top with a 52-51 win. The players that are graduating in the spring want to thank the whole team for a great year full of memories they will never forget and wish luck to their friends and future players of TC Basketball.

Girls Basketball

Varsity Team From L to R: Jessica Lewis, Jane Annis, Becky Tingley, Bridget Corbett, Emily Annis, Coach Grant Forbes, Tiffany Barr, Ashley DiRosario, Amanda Barr, Allysa Rosak

Coming off their most successful season to date the young and talented 2005-2006 Lady Cougars compiled a record of 12 and 8 and gained a state tournament berth for the second straight year. Led by Junior Tiffany Barr and Sophomore Alyssa Rozak the team is looking forward to a strong 2006-07 season with their starting five and key reserves all coming back. Coach Forbes and Coach Desrochers have a team built for the future and anticipate many more successful seasons..... INTENSITY!

Each young lady prepared herself to the best of her ability and put her talents to work for the team. This was done unselfishly and without thought of personal glory. Each cheerleader disciplined herself to do what was expected for the welfare of the team. All cheerleaders were truly successful in knowing they had done their best. Ladies please always remember the beautiful smile on Gabby's face and keep that smile in your heart forever.

Not Pictured: Mike Cavanaugh, Nick Rando. Devon Daigneault.

The Tri-County wrestling team continued to improve in the 2005-2006 season. Several wrestlers ended up with winning records, and scored well in numerous tournaments across the state. The team finished with a record of 7-10-3. Captain Devin McAllister-Gray placed sixth in the section, while John Mazzarella, Mike Cavanaugh, Pat Welter, and John Bowman all placed fifth. Junior John Cavanaugh earned second place in the section and third in the Division 3 state tournament. The young Cougar wrestlers are full of potential, and with a little more mat experience, they will be a force to reckon with next year.

The lacrosse team, coached by first year coach Don Buckley, had a good season due largely to the six starting seniors. The seniors were Captains Steve Doherty, Corey Miller and Ryan Watson along with Justin Brown, Paul Jansen, and Sam Van Blarcom. Lacrosse finished the regular season with an 11 and 7 record. The team qualified for the state tournament and played Arlington Catholic in Arlington on June 1. The team ended the season that day with an 8 to 5 loss.

The varsity girls softball team fell just short of qualifying for the state tournament with a 9-10 overall record, and a 9-5 Mayflower League mark. The Lady Cougars were led by their lone senior and captain, Brittany Notturno, who played a solid 2nd base all season. Brittany was also a key offensive player, who was willing to sacrifice her own statistics for the team's success. Other bright spots for the team were sophomores Jessica Lewis and Alyssa Rozak, who both were selected to the Mayflower League All-star team for their outstanding play as pitchers and 3rd baseman.

With a new coaching staff and a new attitude, the 2006 spring track teams made some great strides. The young and talented girl's squad finished their Mayflower League season with a 4 and 3 record. Rachel Vespa had another tremendous season and qualified for the Div. 4 State Tournament in the 100 meter hurdles. Captains Megan Matthews and Allison Duquette provided leadership and strong performances throughout the season. The boy's team was led by Senior Francis Harper and Junior Nate Belcher. With a host of young talent at the sophomore and freshmen grades, the team is looking for big results next season.

Homecoming Weekend

Rose Angenete and Melissa Callahan

The 2005 homecoming weekend was a great success. A pep rally in the gym started the day with the senior class winning the 1st annual Golden Cup Award for placing 1st in the class competitions. That evening the Homecoming Dance was held in the cafeteria with Rose Angenete and Mike Johnston taking the honors of representing the class of 2006 as Homecoming queen and king. The entire court was paraded around the football field the following day during halftime of the football game against rival Old Colony.

This year the Fall Leadership Conference was held at Holy Cross College in Worcester, MA. Members were able to meet with members of other BPA chapters across the state of Massachusetts, and participated in leadership and team building activities.
We held a Katrina Victim fundraiser in conjunction with our student council members. $850 dollars was raised using penny jars in all our vocational/technical shops. The money was collected and we purchased Target Gift Cards which were then sent to the Barbara Jordan High School for Careers in Houston, Texas. This school took in students from the Hurricane Katrina, and the gift cards were given to these students so they could purchase items they needed for themselves.
Our State Leadership Conference was held in Framingham, MA this year. Eight students placed in various competitions and are eligible for National Competition which will be held in Orlando, Florida in May of 2006!

The Peter Rickard Chapter of the National Honor Society, established in 1989, reflects the four pillars of academic excellence - scholarship, leadership, service and character. Every year, N.H.S. hosts their Introduction Ceremony, a Leadership Breakfast to honor student leaders in the Tri-County community, and Honors Night. Additionally, each N.H.S. member fulfills his or her service pledge by organizing charitable drives, assisting with school events held in the evening, and volunteering outside the school.

National Honor Society

Student Council

The focus of the Student Council this past year was service and recognition to others. Student council members organized and participated in monthly activities recognizing faculty and other staff members at Tri-County. Some memorable events included making valentine lollipops for the staff and washing their cars on the last day of school. Special thanks from Miss Haney and Mrs. George, the Student Council Advisors, are extended to the graduating seniors (pictured above) - Brittany Notturno, Tania Swieder and Cathy Houlihan for their service and commitment to the Student Council.

Some members of the Student Council, pictured above, are Andrew Gregg, Jackie Charest, Amanda Illsley, Zakiya Ming, Amanda Madden, Jane Annis, Stephanie Harrop, Eric Marchand.

Music

Every Wednesday after school, Mr. Glasser's classroom transforms into "The Music Club"- a fun place for sharing, creating, and listening to music. Often times it's easy to hear sounds of Alan Braely's bass, Zoe Makrinikolas's acoustic guitar, or a number of singing voices tailing off into the halls. With such a lively group, and so many sounds coming from each corner of the room, there is never a dull moment. Throughout the year, students have formed several musical bonds, and deepened their appreciation of music and each other.

Yearbook

As the first student led yearbook committee, we had a lot of expectations to live up to. Many seniors wanted to voice their opinion and make the yearbook a part of themselves. Because most of us had very little yearbook experience, we spent a lot of time learning together. The yearbook committee worked extremely hard on this yearbook and we hope you enjoy it.

Math

The math team is made up of freshman, sophomores, juniors and seniors. Working together as one team the students share strategies and concepts; its a wonderful opportunity for students to practice their mathematical skills and learn new creative approaches to solving various problems. The math team has participated in the Vocational Math Meet held at Tri-County and in a math competition held at WPI.

Drama

The Drama Club was formed in the fall of the 2002 school year by a group of students who sought to expand the scope of Tri-County's extracurricular activities. The current directors, Mr. Keaney and Ms. Mullen have produced three well received performances: *Country Gothic* (2004), *Mixed Doubles* (2004), and *The Unfinished* (2005). This year's spring performance will be *The Art of Dining*, on off-Broadway comedy that has been produced by a number of professional and amateur theater groups. The Drama Club's mission is to promote the Arts here at Tri-County and we continue to expand our performances to include more complex plays every season. Our performances offer participants a chance to tap into their creative energies through acting as well as set design. It is the hope of the Drama club to broaden the artistic and creative opportunities available at Tri-County.

SkillsUSA

Tri-County SkillsUSA is part of the SkillsUSA Massachusetts, a state association of SkillsUSA a national organization serving more than 275,000 high school students and college students and professional members who are enrolled in training programs in technical, skilled, and service occupations, including health occupations. SkillsUSA Massachusetts programs include local and state competitions in which students demonstrate occupational and leadership skills. During the annual State Leadership & Skills Conference, more than 1,500 students compete in 7 occupational and leadership skill areas. Gold medalists from our state proceed to join more than 4,000 students to compete in the annual national-level SkillsUSA Championships.

An Enchanted Evening

May 12, 2006

An Enchanted Evening was had by all who attended the Prom on Friday night. Despite the rain showers, the juniors and seniors along with their dates had an outstanding time. Thank you to all the faculty and staff who attended the prom as chaperones. A special thanks to Mrs. Vine, Mrs. Stone, Mr. Garland, Mr. Ando and Mrs. Marcello for all of their help setting up for the prom.

Miss DeMaria would like to thank the students for the enthusiasm and exceptional behavior on Friday night. Once again, the students of Tri-County have made her very proud.

A Special Day
There are no words to say,
How much I'll miss you on this special day.

It's spring time, Graduation Day is near,
But there will be no golden tassel for you
this year my dear.
We won't be picking out a gift, or messing
with your hair.

This would be your biggest moment,
To have the world at your feet,
But a Graduate is missing,
There's just one empty seat.

The kids will be anxious as they walk
down the aisle,
Some will have a serious face,
Some will have a smile.
They'll collect their diplomas,
Parents cheering all the while.

They will all be so proud, parents and teachers too.
I wonder if they will pause a moment,
I hope they think of you.

Although you're an angel, I know you're smiling down,
I can't help but wonder...
How you'd look in your cap and gown.

I know this day my tears may fall, but
I want you to know,
I'd be the PROUDEST mom of all.

Love, Mom

Jeff- Wow!! Who'd of thunk?? You've finally made it and boy did you work hard,
but the fruits of your labor have paid off. You have much tenacity and drive and this
will see you through a lifetime. We see you going as far as you want to go and don't
anticipate any roadblocks stopping you...you have made us so proud,
keep on trucking!!

I may be "Your Mother the Tiger" but don't ever forget, Jeff,
you will always be one of our cubs!!

Love, Dad, Mom, Bryan and Greg

Best of Luck to the Graduating Class of 2006

Molly J. Davidson

Thank you goes to all the people in Molly's life who were really drawn to listen to her thoughts and expressions throughout her life; her family and her friends, teachers and fellow students. We are very, very proud of you! May the world be open to hearing more of what you have to say, Molly!

Love you always, Mom, Dad, Brad, Mem and Pep

In today's world, some people look down on vocational schools. But speaking for myself, Tri-County saved my children.

Alan was turned into a student capable of succeeding in college (University of Tampa 2006). The school allowed Matt to finish high school (starting to look into college). Tri-County allowed Julie to be a successful student by any measure and to follow her passion of veterinary technology.

Thank you to all the teachers and administrators (especially Ms. Sutton), who helped my kids when they were not the easiest to deal with.
